# THE NATIONAL CENTRE FOR TRUTH AND RECONCILIATION

"The NCR is a place of learning and dialogue where the truths of the residential school experience will be honoured and kept safe for future generations. The NCTR was created as part of the mandate of the Truth and Reconciliation Commission of Canada (TRC). The TRC was charged to listen to Survivors, their families, communities and others affected by the residential school system and educate Canadians about their experiences. The resulting collection of statements, documents and other materials now forms the sacred heart of the NCTR."

INFORMATION AND RESOURCES

# INDIGENOUS ALLY TOOLKIT

"In this Indigenous Ally Toolkit (2019), you will learn the role that an individual occupies and plays within the collective experience. Many want to be an ally, which is why this pamphlet focuses on that term. However, being an ally is not a self-appointed identity and requires you to show your understanding through actions, relations, and recognition by the community."

# INDIAN RESIDENTIAL SCHOOLS AND RECONCILIATION RESOURCES

"The Indian Residential Schools and Reconciliation Teacher Resource Guide for grades 5, 10 and 11/12 were developed by the First Nations Education Steering Committee and the First Nations Schools Association. They are our response to the call by the Truth and Reconciliation Commission of Canada for education bodies to develop age-appropriate educational materials about Indian residential schools."
